Objective: Seeking an entry level position where I can apply my creative design and web development knowledge to further educate myself and gain experience in the field of graphic/web design and development.

Font: Abel #252733

In five years I hope to be working at a company that offers medical and dental benefits. I would love to become a renowned WordPress developer. I want to create awesome themes for people using WordPress. I also want to create cool plugins to enhance user experience within WordPress.
